Season 1921 Wholesale Price List Crop 1920

# Garden, Field and Flower Seeds

RECEIVED
MAR 8 1921
Department of Agriculture

THE MANGELSDORF SEED CO.
ATCHISON, KANSAS.

# TO THE TRADE

WE HEREWITH present our Wholesale Price List of fresh and carefully selected GARDEN, FLOWER and AGRICULTURAL SEEDS. Our seeds are grown by the most careful growers from pure and selected stocks, and we use every care to have all seeds we send out just as represented, but it must be understood that we do not in any way warrant them, nor will we be responsible for any failure thereof. At the same time we are always ready to consider any well-founded complaints.

We will not be undersold by any reliable house on seeds of like quality. Quality is always our first consideration. Cheap seeds are dear as a gift.

**NOTICE**—We sell 10 pounds at the 100 pound rate, one-fourth bushel at bushel rates, and one-fourth pound at pound rates. When a smaller quantity is ordered a small advance will be charged.

All prices are subject to market fluctuations.

All seamless bags will be charged extra at cost price and are not returnable.

## TERMS

Grass, Clover, and all Field and Agricultural Seeds are sold for NET CASH only.

All accounts of Vegetable Seeds are sold on terms of 60 days, 2 per cent discount 10 days' payment.

Overdue accounts subject to SIGHT DRAFT, with exchange, without notice.

Satisfactory references required from new customers.

All prices subject to change without notice.

## ADVERTISING MATTER

Fine lithographed "HANGERS" for the window; "LABELS" for Seed Boxes and Jars, and Retail Catalogues for distribution to customers furnished free with every order for Bulk Garden Seeds.

## WE BUY

We are always in the market to buy Timothy, Clover, Kaffir, Sorghum, Millet, Pop Corn, etc., and are ready to offer full market price. Bags for mailing samples sent on request.
